

Kids **PAVILION**™ 66 GALLON

CHANGING THE LANDSCAPE OF COLLECTION!

The Pavilion is a compact triple-stream station. Openings are textured to avoid scratches and are interchangeable to evolve with your program, while avoiding high container replacement costs. Doors are manufactured separately, allowing you to choose a custom two-toned look to complement your indoor or outdoor atmosphere. (Minimum 25 Units). Adding custom signage or labels will give a polished appearance while educating your participants on the desired stream collection and reducing contamination.

FEATURES:

- Textured scratch resistant openings, choice of: Circle, Slot, Rectangle & Mixed (Circle with Slot)
- Custom colors available at low quantities
- Front door access with built-in-lock (keyed alike)
- Custom signage or labels available
- Rotationally molded

Minimum order may be required for some features, inquire for more information.
